

God blessed our feet to be a blessing to His children

Sometimes we lose sight of the many ways we can serve our Lord Jesus. When we are out doing something that gives us time to share fellowship and enjoy nature, we may not stop to think about the blessing about to occur. Last year, at our LWMLC District convention in Stratford 38 women got up for an early morning walk around the lake. In the spirit of servants, they were willing to give their time and use their feet to offer their gifts of money to be used to purchase books for the libraries in the Hanover Zone. Henny Derbecker, President of the Hanover Zone LWMLC made the statement:

This picture was taken when I delivered the Christian materials for children to the Hanover

Public Library. William VanKeuren, CEO and Chief Librarian happily received the material and also called in the local paper.

Childrens library books, CDs, and DVDs were purchased with the \$2,213 that was raised through the Servant Walk and the items were distributed to five libraries: Clifford, Mount Forest, Mildmay, Chesley and Hanover.

May all praise and glory be given to God as we see His message being placed into the hands of children.
