## Please help!

We know that some congregations project their service on screen. We would like to provide, on LWML–Canada Sunday, as an alternative to some of the current materials, a video for playing before or after worship. But we don't know how many could use it or in what format.

If this could be used in your congregation, a quick e-mail with that info to Marion at [publicrelations@lutheranwomen.ca](mailto:publicrelations@lutheranwomen.ca) **by June 30** would be of great help.
