

LWML–Canada Sunday 2010
Prayers for the Mission Grants of LWML–Canada
SHINE LIKE STARS ... *in your community of faith*

Please format the following for use in your congregation when you celebrate LWML–Canada Sunday. The official date is October 3, 2010.

Women Evangelists, Thailand

Lord, we know that You have asked us to spread Your Word throughout the world. We ask that You be with the ladies in Thailand who will use this grant money to cover their transportation costs and the preparation of lessons as they speak to other women in their country.

C: We praise and thank You, O Lord.

Interim Mission Opportunity Fund

Dear Lord, when unforeseen mission opportunities arise we still want to help but have already assigned our funds to the grants voted on at the convention. We thank You that with Your help we have the Mission Opportunity Fund to help meet those needs arising between conventions. We pray that You will give us guidance as how to use it wisely.

C: Hear our prayer, O Lord.

Sewing School Support, Chinandega, Nicaragua

We often take for granted the skills and opportunities we have in our great country. Lord, with this money we are able to support the Sewing School where the ladies of Nicaragua are able to learn a skill that will help them be employable or even start their own business as a means to support their families. The ladies are introduced to Your Word throughout their time at the school and are then able to touch others around them with the love shared with them.

C: Help us to be thankful for the blessings You have given to us.

Mission Outreach, Costa Rica

We thank You for the opportunity to help people in many other countries. With this grant we are able to support a pastor and church worker as they do outreach work in Costa Rica. Please bless them as they work to reach the people of Costa Rica with Your Word and saving love.

C: Lord, we ask your blessing on these monies as they are used to spread Your work beyond our borders.

Mission Bus, La Ronge, Saskatchewan

Heavenly Father, we often take the things we have for granted and do not see beyond our own little world. Even in this great country of plenty there are those who do not have many of the things we use every day. Thank-you Lord for helping us to provide transportation to the people of La Ronge, Saskatchewan so that Your Word may be spread to Your people there.

C: Help us, O God.

Mission Supplies, Dnepropetrovsk, Ukraine

Lord, most of us have Your Word at our disposal daily and yet we often take it for granted. We are thankful that we can help supply Bibles, Bible studies and devotional materials to those people who yearn to study your Word.

C: Lord, hear our prayer.

Training of Deaf Leaders (pastor & deaconess)

Gracious Father, we thank You for moving these people to give up their time to be trained so they can tell the Deaf community about Your love and forgiveness. Please be with them Lord as they study Your Word and learn the best ways in which to tell it to those who do not have the blessing of ears that hear.

C: We praise and thank You, Lord.

Dear Father, all we have is Yours. Help us to remember that the mites we gather will help those who we are not able to reach in person. We are thankful that You bring the pennies, nickels and other coins together to be used for Your glory. In Jesus' Name we pray, AMEN.
