

Thai women evangelists

In Thailand the cultural norm is for women to associate with and teach other women and children about the Saviour Jesus Christ. Supported by LWML–Canada’s grant of \$6,000, two women in Southern Thailand worked under the supervision of the local missionary visiting in the homes of women and children. Aporn and Sukunya also travelled to remote villages with the Gospel. The financial support for these two workers covered their transportation and a small monthly stipend for preparing the lessons they taught, bringing the hope and encouragement of the Gospel to many of the poorest people in the Phang-Na district. The situation has since changed—one woman has married and the other works both as a deaconess and evangelist.

Prayer: Heavenly Father, we give You thanks for the work these evangelists were able to accomplish in remote villages of Thailand. Through them many women and children heard for the first time of the saving grace of our Lord and Saviour Jesus Christ. May the the seeds of faith planted there by these faithful workers grow and touch many families and friends in this region of Thailand. Help the new Christians walk in the courage of their new faith. We pray in Jesus’ name. Amen.

LWMLC invites you to a mini “mite” challenge

Place the cost of Thai food, educational supplies (book, pencil, etc.) or the purchase of a feminine hygiene product into a mite box – your own or that of someone in your LWMLC society.

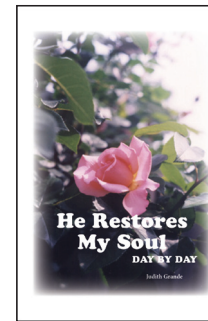

LWML–Canada “mite” offerings are gathered in support of mission projects in Canada and overseas. If you would like to learn more about our mission, talk to a member of your congregation’s LWMLC group or check our website, www.lutheranwomen.ca.
