

Sewing School support in Chinandega, Nicaragua

The sewing school in Chinandega has now moved to the Mission Centre where daily devotions occur before the lessons begin. Since the program was started in 2004 LCC and LWMLC member, Lynn Woods, it has grown and more than 100 students have graduated with the skills to sew. These skills enable them to apply for a sewing position at one of the local factories or to establish their own home business. This school not only provides an education and skills whereby the women can support their families, it also is a channel for the Gospel to be proclaimed. To assist them, Lutheran Women's Missionary League–Canada has provided a grant of \$12,000.
